

Sand Castle Realty Group Inc. Is Currently Interviewing Real Estate Agents for Their 100% Commission for \$100/ Month Program in the Orlando Area

Sand Castle Realty Group, Inc. headquartered in Naples with offices in Bonita Springs and Fort Myers, is interviewing Real Estate Agents to add to its existing 200+ Professionals as they expand their team in Orlando Florida.

Orlando, FL, January 01, 2008 --(PR.com)-- Agents who belong to any of the Orlando Area Boards, who are interested in keeping 100% of their commissions in a no-hassle, no-nonsense business model, are encouraged to visit www.OrlandoSand.com for additional information on their program.

Sand Castle Realty Group, Inc. operates what Scott Berry, Broker/Owner calls, "The True 100% Commission Office for \$100/ Month with no hidden fees." Sand Castle Realty Group, Inc. utilizes state of the art technology to streamline its processes, thus passing on lower fees, and higher commissions to its Agents. "From our elegant headquarters in North Naples, to our offices in Bonita Springs, Fort Myers, and soon Orlando, communication is a breeze" says Berry. "We keep everything as simple as possible. Paperwork is streamlined, and you can even get paid directly at the closing table. We are a full service, full commission firm with a no-nonsense approach."

There are plenty of 100% firms throughout Florida, but when you figure in hidden fees, and subpar support, you are really only left with a handful of choices.

According to Berry, many Agents think this model is "too good to be true". But he assures you that there are no hidden fees, no hidden agendas, and their operating model is a completely open book. Often billed as "The fastest growing real estate firm in Southwest Florida", Scott Berry states "our program is simply a sensible way for Agents to put more money in their pocket, without giving up anything they are currently receiving at some of the traditional commission split firms. Agents throughout Southwest Florida are paying their Brokers incredible amounts of money. If you are not receiving what you expect in return from your split, you owe it to yourself to spend a few minutes learning more about us."

Sand Castle Realty Group, Inc. was founded by an ex Fortune 500 Executive, to create a win/win scenario in every Florida Real Estate transaction. Starting with a rock solid foundation based on experience, integrity and trust, Sand Castle Realty Group was quickly named the Fastest Growing Real Estate Firm in Southwest Florida adding 100+ Agents each year.

Realtors Win. All Sand Castle Realty Group Agents keep 100% Commission in their no-nonsense program. Agents simply pay \$100 / month, then when a transaction closes, they pay a \$150 transaction fee, then they keep the rest. No hidden fees, No fine print, No games. You should see the look on their Agent's faces when they get their first commission check. An Agent who does not have to split their commission is a happy Agent.
