

## **Don't Misunderstand Me I Love You... Most of the Time Relationship Conversation Edition by Merrilee Kimble & Jason Myers**

Jupiter, FL, January 05, 2008 --(PR.com)-- Don't Misunderstand Me I Love You...Most Of The Time Relationship Conversation Edition  
By Merrilee Kimble & Jason Myers  
Relationship Communications - Frustration or Laughter?

At their best, relationships are an amazing, exciting, adventurous, loving and fulfilling thrill ride. At their worst, relationships are a dark and stormy nightmare with no foreseeable means of escape. What is usually at the root of the highs and lows of a relationship? Typically...communication. Forget banging your head on the wall in frustration over the communication issues. It's time to sit back, relax and read a humor-filled and dare we say sarcastic or perhaps brutally honest view of day to day misunderstandings in relationships. Merrilee Kimble and Jason Myers turn frustration into laughter with Don't Misunderstand Me - I Love You...Most of the Time - Relationship Conversation Edition (Publisher - CleverLivingOnline.com, on sale January 1, 2008)

Throughout all the stages of a relationship, there are the thoughts you share and communicate and those little thoughts that pop up during the conversation that you keep to yourself. Those thoughts that you keep to yourself are usually a bit more detailed or perhaps edgier than what is actually being spoken. It's all the things you might like to say if your self-respect and the other person's feelings were not as relevant as they actually are.

With Don't Misunderstand Me - I Love You...Most Of The Time - Relationship Conversation Edition, the hilarious root of the communication issue is brought to light. You know, those little thoughts that uncontrollably (or purposefully) pop into our minds during a conversation. The thoughts that give us comfort as we twist ourselves into pretzels, to be sensitive or politically correct. The thoughts that give us laughter as we endure an unbearable conversation. The thoughts that let us take a little jab or give a little slap, with no one the wiser. And most importantly, those thoughts that provide a bit of sanity to the often oh-so-insane relationship communications. We've captured all those little thoughts in words and with illustrations by Merrilee Kimble.

After you read this book, you just might find yourself doing a few double takes. After all, when you take a look at your own thoughts during a conversation you may find yourself wondering what your partner is thinking or meaning as they converse with you.

About the Authors:

Merrilee Kimble and Jason Myers have also written the companion book Don't Misunderstand Me - I Think You're A Moron - Office Conversation Edition (ISBN: 978-0-6151-6665-0). Realizing that people consistently cope with their work or relationship related stress with either frustration or laughter, they chose focus in on the latter with their two books. If you're looking for a humor-filled and dare we say, sarcastic or perhaps brutally honest view of day to day misunderstandings either at the office or in your

relationship...sit back, relax and read on.
