

New Affiliate Program Highlights the Importance of Personal Safety and Proper Identification

Businesses and organizations can now become My Family CD affiliates. By teaming up with My Family CD, participants will receive a portion of the proceeds and provide the most advanced digital identification cards on the market.

Powell, WY, February 14, 2006 --(PR.com)-- My Family CD, providers of Safe Kids Card, Safe Adults Card and Safe Pets card, announces a new affiliate program that offers a unique way to raise funds while providing the most advanced digital ID on the market. "Our affiliates will be giving their patrons access to the quickest response ID available," said CEO Jeremiah Hutchins. The wallet size CD's run in any Windows® based system, allowing officials to access the information within minutes, saving precious time in an emergency situation.

This program is unique in that it not only provides families with peace of mind, but it allows participating businesses and organizations the opportunity to join The Safety Coalition, a web resource that contains links and vital safety information. Current members include: Team Amber Alert, Good Knight Empowerment Network, National Alert Registry and The RGW Foundation just to name a few.

As part of the My Family CD affiliate program, participants receive a portion of the proceeds, updates on the latest in personal safety and access to a coalition of like-minded business owners and organizations, all at no cost to them. Hutchins stated, "It is our way of giving back and providing a vital safety service."
