

Save Big on Enclosed Trailers at Trailer Superstore

All Pro West Trailer Superstore is moving excess inventory and offering select new and leftover enclosed trailers at unbeatable prices.

Mechanicsburg, PA, January 16, 2008 --(PR.com)-- From now until the end of March, All Pro Trailer Superstore will be holding a Trailer Blowout Sale on select enclosed trailers by manufactures such as Pace American, [Car Mate Trailers](#), Carry-On, US Cargo and Thule Trailers to make way for 2008 models arriving early spring.

All Pro operates a full service trailer facility offering trailer sales and service, trailer repair and trailer inspection, as well as a department designated to trailer customization, warranty and trailer financing.

As one of the leaders in the trailer industry, All Pro understands the value of the trailer shopper's time, cargo and investment when purchasing a new enclosed trailer. "We take the time to listen to our consumers fully on their trailer needs and budget," replies Scott Smith, Sales Manager for All Pro. "Then we educate them on all the options available to them in enclosed trailers, trailer accessories and trailer financing."

[Enclosed trailers](#) serve a wide variety of purposes and many consumers in the market for an enclosed trailer are not fully aware of all the options they have with trailer accessories. "We specialize in customizing enclosed trailers with features to protect and organize your precious cargo," states Smith. "Our team installs hundreds of trailer alarms with GPS capability each year to protect the consumers cargo from theft, cargo control systems on walls and trailer floors to protect cargo from shifting, spare tires, custom trailer cabinets, trailer flooring and landscape trailer accessories."

All Pro has custom designed and built trailers for everything from outdoor enthusiasts, show car collectors and Realtors to bands, DJs, race car teams and emergency services professionals. "The list goes on and on," remarks Smith. "Our customers are becoming quite creative when it comes to cargo trailer & enclosed trailer uses and if they can envision it, our team can design it."

All Pro's Trailer Superstore offers a traveler's discount to consumers traveling to their facility to purchase a new trailer from surrounding states, such as Maryland, Delaware, Virginia, New Jersey and New York, or you can take advantage of their "Call Ahead Trailer Package" which conveniently allows consumers to choose their trailer online, add additional trailer accessories if needed, receive on the spot trailer financing and top it off with trailer delivery right to your home or business.

Visit All Pro Trailer Superstore's official website at www.allprowest.com to view their selection of enclosed trailers on clearance, discounted pre-owned trailers for sale and new arrivals.
