

## **New Branson Lakeside Vacation Home Opening May 2008**

*New vacation home is due to open in May 2008 for year round vacations to Branson, Missouri, just in time for the Summer 2008 season. Exclusive amenities and prime location on Tablerock Lake are what set this property apart from the typical Branson lakeside lodging.*

Branson, MO, February 01, 2008 --(PR.com)-- Patterson Properties and Management Co, LLC announces new construction of their second edition to Tall Tree Cottage vacation home rentals. The vacation home rentals are located on Tablerock Lake near Branson Missouri and provide exclusive amenities that are not often found in similarly priced lodging in the area.

[Lakefront vacation home rentals, such as Tall Tree Cabin and Tall Tree Cottage \(www.BransonLakeHomeVacationRentals.com\)](http://www.BransonLakeHomeVacationRentals.com) boast affordable pricing and large square footage and include all the amenities of home, such as fully equipped kitchens, grills and washer/dryers. Extras include Jacuzzi hot tubs on an open deck overlooking the lake.

These homes are ideal for vacationing families or pairs of couples looking for more room and privacy. “This location was chosen south of Branson to offer renters seclusion but to also keep them close enough to enjoy all that the area has to offer” states Derek Patterson, owner of Patterson Properties. The new \$250 Million Branson Landing and the World Famous Hwy 76-strip are located within a short 15-minute drive. Eureka Springs is located approximately 45 minutes south of Tall Tree Cabin and Cottage, which is an option for renters looking for an interesting day trip.

Mr. Patterson notes with Branson having over 8 million visitors during the 2007 season, the addition of new vacation homes to the area, such as Tall Tree Cottage and Cabin, are great for those looking for an affordable and memorable Branson vacation that is more relaxing and off the beaten path.
