

Premium Domain Broker NameRSS.com Launches Super February Domain Sale

Looking for a Premium Domain at a great price? Premium Domain Broker NameRSS.com has announced a Super February Sale that will allow customers to purchase any of the premium domains listed on their website for only \$995.

Las Vegas, NV, February 06, 2008 --(PR.com)-- Premium Domain Broker NameRSS.com has announced a Super February Sale that will allow customers to purchase any of the premium domains listed on their website for only \$995.

"This is a promotion to introduce the world to premium domains," said Jacob Anderson, Marketing Director for NameRSS.com, "There are some fantastic domains available on the site that could potentially be worth tens of thousands, or even hundreds of thousands of dollars. Some lucky buyers are going to get some great deals as a result of this sale."

There are over 1000 premium domains listed on NameRSS.com, including PrescriptionContacts.com, TitlePolicies.com, TelevisionFeed.com, BeamMoney.com, BeginClick.com, and SeekMobile.com. Interested buyers can visit the site at www.NameRSS.com, and can purchase any of the listed domains using PayPal or Escrow.com.
