

Internationally Known Neuropsychiatrist and World's Leading Expert on Déjà Vu to Appear on P.O.R.T.A.L. Paranormal Talk Radio

Dr. Vernon Neppe is no ordinary man. As an internationally known Neuropsychiatrist and Behavioral Neurologist, Neppe has gone where no other doctor has gone before. He has become the world's leading expert in Déjà Vu.

St. Louis, MO, February 07, 2008 --(PR.com)-- P.O.R.T.A.L. Paranormal Talk Radio, which is on the Paranormal Radio Network, an online radio network whose programming has exceeded over 107 countries of listeners, with hosts Tuesday Miles and Angela Thomas, announced today an upcoming guest appearance with Dr. Vernon Neppe on Sunday, February 10, 2008. Neppe is an internationally known Neuropsychiatrist and Behavioral Neurologist, as well as, the world's most leading expert on Déjà vu. He has studied anomalous phenomenon for over thirty years.

Vernon Neppe, MD, PhD is the Director of the Pacific Neuropsychiatric Institute in Seattle, WA and (Adjunct) Professor of Psychiatry for the St Louis University. His expertise does not stop there. Additionally, Neppe is a Forensic Expert and a Psychopharmacologist. Among his accomplishments are published books entitled, Cry the Beloved Mind: A Voyage of Hope and Innovative Psychopharmacotherapy. Dr. Vernon Neppe has written a series on Déjà vu beginning with Déjà vu: A Second Look, Déjà vu: Revisited, and the all encompassing Déjà vu Glossary and Library.

This special Déjà vu Trilogy documents many years of research, including a history that spans beyond the last century. These books are available in a PDF format, and interface the wide orbits of related psychological, psychiatric, neurological, phenomenological, parapsychological, literary disciplines, and classic studies. Professor Lewis Hurst called Dr. Neppe's original book, "One of the major works of scientific and imaginative genius of our time." To learn more, go to <http://www.brainvoyage.com> or <http://www.pni.org> .

"From the moment one speaks to Dr. Neppe, one recognizes the powerful mind of a man that has contributed so much to our society. He has been recognized in many books including, Great Minds of the 21st Century, and Woodward White's, The Best Doctors in America. He is currently the only physician who is listed with several combined subspecialities of psychiatry and neurology" says Angela Thomas when asked about Neppe.

The P.O.R.T.A.L. Paranormal Talk Radio Show can be heard on the Paranormal Radio Network each week at 7p-9p, Eastern. <http://www.ParanormalRadioNetwork.com>, as well as, AOL Radio, MSN Radio, Satellite Radio UK, Tricom, BBS, Aussie Chat, and Live365. A live, virtual auditorium is available on www.Paltalk.com under the Social Issues category for those wishing to share their interest, and ask questions of the hosts.
