

## **Fuser Diesel Energy Stix to Debut at Arnold Classic Expo**

*Diesel Energy Stix the Latest in Sports Supplement Technology.*

Richmond, VA, February 09, 2008 --(PR.com)-- Virginia Bionutrients, LLC announced today that it will debut its newest product, Fuser Diesel Energy Stix, at the Arnold Classic Expo in Columbus, Ohio on February 29. Fuser Diesel Energy Stix are the first pre-workout energy pixie stick and they improve both focus and energy. Diesel Energy Stix are a revolutionary new product unlike any other on the market, and are a pre-workout supplement designed for gym-goers, body builders, and those on the go.

“We are thrilled to debut this groundbreaking product at one of the largest fitness expos in the country,” says Tom Ellis, National Sales Director for Virginia Bionutrients. “With 170,000 attendees, the Arnold Classic will be a great place to showcase our product.” The Fuser Diesel Energy Stix booth will be high energy and will feature free product giveaways and product education. This is the second year at the Arnold Classic Expo for Virginia Bionutrients.
