

Accomplished Homicide and Major Crime Investigator, John G. Brenner Announces the Opening of John G. Brenner Investigations LLC in the Connecticut Region and Nationwide

A full service private investigations group specializing in complex investigations and case consultations with a diverse background in conducting major crime and internal affairs/EEO investigations.

Fairfield, CT, February 19, 2008 --(PR.com)-- John G. Brenner Investigations and Consultations is a Connecticut based professional investigative group serving the public, cooperation's and law offices for all their investigative needs. Their group specializes in complex and major case investigations and consultations. Mr. Brenner is pleased to now associate with some of the finest criminal and civil investigators in the country.

John Brenner is a graduate of Boston University with a Masters in Criminal Justice along with graduating from the FBI National Academy in Quantico, Virginia, and the CIA investigator/security programs, Washington, DC. Mr. Brenner holds undergraduate degrees in law enforcement science and nursing which bring an unstoppable scientific and investigative background to the forefront of investigations in Connecticut along with nationwide case consultations.

John Brenner has had an extensive law enforcement, investigative and intelligence career which includes the Bridgeport Police and the Central Intelligence Agency. He has worked some of the most complicated and challenging cases in the region and has commanded both Major Crimes and Internal Affairs Divisions.

John is now excited to bring his extensive investigative and formal education to the private sector with the founding of John G. Brenner Investigations LLC.

You are encouraged to review and explore John Brenner's full credentials and resume along with services offered at www.johngbrennerinvestigations.com.

Please contact them with your questions and concerns and see what they can do for you and your complex case and consultation case needs.
