

Breederville.com Launches NAIS Information Website

Breederville.com Online Animal Auctions Launches NAIS Information Site for the animal producing community.

North Brunswick, NJ, February 28, 2006 --(PR.com)-- Breederville.com Online Animal Auctions (NAIS) has launched National Property Owners Association, <http://www.nationalpropertyowners.org> to provide the animal producing community with background information on the National Animal Identification System.

Breederville.com has teamed up with Star Locke of Texas, <http://www.starover texas.com>; Dr. Mary Zaroni of Farm for Life; Walter Jeffries of <http://www.nonais.org> and other groups to provide information and actions to take in protecting people's rights in terms of the newly launched NAIS.

National Property Owners Association provides links to action groups, flyers, research information, blogs for immediate updates and a forum with articles archives.
