Belize City, Belize, February 28, 2008 --(PR.com)-- The headliner of the three games is, without a doubt, the adventure thriller slot "Tomb Raider - The Secret of the Sword", one of the most ambitious slots yet seen in online gambling. Lara Croft appears in this glossy, five reel, 30 pay-line, multi-faceted package where Free Spins, Bonuses, Wild and Scatter Cards and [Free Games](#) are in ample supply. This game keeps players hooked with its photo-realistic graphics, emotive sound effects and constant Croft action. As players endeavor to find the valuable sword, they will experience mystical places and extremes of excitement and suspense in true Tomb Raider style.

There are countless winning opportunities in this game and a level of entertainment and technology which truly rivals all others. Get gaming and live the experience with this advanced new game.

Once you have mastered the challenges in Tomb Raider, there are some more colorful characters to keep you rolling the slots. Gypsies and leprechauns bring more opportunities to make your fortune.

The crystal ball in the Gypsy Queen video slot foresees three different ways to win up to \$60,000. You will be mystified by a blend of magic candles, tarot cards and palm readings as this five reel, 20 pay-line slot unravels the exotic culture of the Gypsy Queen. Spectacular art work brings Bonus Awards, Free Spins and Scatters to life and makes for entertaining play.

From gypsy luck to good old Irish luck, Saint Paddy arrives at Fortune Lounge on 11 March 2008. Rainbow's End is a new five reel, 25 pay-line slot where four leaf clovers and golden horseshoes abound and there's a glistening 'Pot o' Gold' at the end of every colorful rainbow. The crafty little leprechauns are giving away up to \$25,000 in the base game and up to \$50,000 on the Free Spins feature.
