

## **Smiling Dog Launches New Product Line and Website**

*Leading consumer product specialist, Smiling Dog has just announced the launch of their new product line and website.*

Louisville, CO, March 04, 2008 --(PR.com)-- Smiling Dog Novelties a new division of Smiling Dog has launched a web page offering its complete line of unique gifts, accessories and collectibles for the home and garden.

The complete online catalogue consists of 378 pages of new products and collectibles. Categories include outdoor living, home décor, just for him, just for her, bath & body, fountains and candles & scents.

Other categories include Kitchen & Household, for the family, pets and Americana. They also display their 38 page seasonal catalogue.

While originally famous for its pet product line, Smiling Dog is now positioned as a full service company. Smiling Dog products have always been positioned as the best quality and value by consumers. Smiling Dog Novelties will continue to exceed the customer's expectation.
