

## **Top RE/MAX Agent Launches New Website**

*Dania Guth and her team at RE/MAX Alliance have launched a new high end website.*

Denver, CO, March 11, 2008 --(PR.com)-- Dania Guth one of the top producing agents for RE/MAX Alliance has just announced the launch of her team's new website - <http://www.evergreen-conifer.com> designed to assist buyers gather information especially in the foothill communities of Evergreen and Conifer Colorado.

The focus of the site is going to be on [Evergreen Colorado Real Estate](#) and [Conifer Colorado Real Estate](#) especially in giving buyers powerful tools to make their life easier when it comes to staying informed on the latest properties and market information.

Utilizing the latest Web 2.0 technologies this powerful site is cutting the wake for other real estate companies to follow.

### Getting

- access to all the latest listings
- notified when new listings hit the market
- notified when a listing you like has a price drop
- notified whenever a home in your neighborhood sells and for what price

These are just some of the tools that buyers and sellers will find on this newly released website.

### About Dania Guth

Dania began her real estate career in 2001 bringing her passion for people and seeing dreams come true to fruition. She initially worked for one the nations top producing agents and polished her real estate skills. Previously Dania worked for a personal development company where she coached individuals on goal setting and goal attainment, empowering people to take action in their lives. This skill carries over well in real estate as purchasing a home carries with it numerous and unforeseen challenges that Dania can help her clients navigate.

Dania can be reached via her website - [www.evergreen-conifer.com](http://www.evergreen-conifer.com)
