

Gladstone Jewellery Launches Online Luxury Diamond Jewellery Shop

It's never been easier to live like royalty, as Gladstone Jewellery launches its online shop selling only the most beautiful, exclusive and hand-crafted diamond jewellery to those who appreciate fine and luxury jewellery.

London, United Kingdom, March 18, 2008 --(PR.com)-- Gladstone Jewellery, based in South Kensington, London, one of the fashion capitals of the world, was created with the sole ambition of producing extremely luxurious [diamond jewellery](#) to make ladies truly feel like they are a queen.

The stunning jewellery collections are inspired by the beauty, convenience, romance and splendour of how Medieval royalty and aristocracy lived, bringing it to this modern age so ladies can comfortably enjoy the lavish extravagance of these times.

Only precious stones of the highest quality and best cut (diamonds, sapphires, rubies and emeralds) are used in Gladstone's unique combinations of chains and stones, which are patented in the UK and the EU.

An innovative feature on the online jewellery shop is the ability to customize these exclusive yellow gold and white gold jewellery collections. This means that the buyer can select the precious stones (such as diamonds, sapphires, rubies and emeralds) and the pattern of these stones in the design of their choker, bracelet, ring, earring or pendants and brooches.

Thus, when buying Gladstone Jewellery, customers will have a truly unique and exclusive design as well as knowing that they are wearing a brand renowned for its luxuriousness, beauty, superior stone quality and ideals.

Maria Kunin, Senior Designer at Gladstone comments "Gladstone Jewellery is dedicated to being recognised as a purveyor of only the finest jewellery products. This new website will enable Gladstone to take the brand global ensuring that jewellery lovers worldwide can enjoy the superior quality materials and craftsmanship that have become synonymous with the name Gladstone Jewellery".

The new secure online jewellery shop is now open for use. Please visit <http://www.gladstonejewellery.com> to shop safely online for luxury jewellery and to find out more.
