

Scooter Vacations Announces Free Specialty Vacation Announcement and Invitation eCards

Vacationers visiting Walt Disney World, Universal Studios Florida, SeaWorld Orlando or taking Florida cruises can send free announcements or invitations to their friends and family.

Orlando, FL, March 18, 2008 --(PR.com)-- Scooter Vacations, a premier vacation rental company headquartered in Orlando, Florida, announces free specialty ecard announcements and invitations for vacationers traveling to Walt Disney World, Universal Studios Florida or SeaWorld Orlando, or cruising on Port Canaveral-departing ships. Those wishing to send an ecard may do so by visiting www.ScootOrlando.com and clicking the “send an ecard” icon on the home page.

Scooter Vacations currently serves those who need mobility assistance by providing affordable and portable mobility scooters rentals. It is the only Orlando mobility scooter rental company to offer four different models starting at only \$25 per day and supporting weight capacities up to 450 lbs; further, each of the company's scooters models feature fold-up designs or easily disassembly to enable storage and transport within a car trunk, a paramount benefit for those who wish to use their scooters at multiple venues during their vacations.

“Scooter Vacations continues to find ways to serve and support the Orlando tourist market. This free ecard system has great advantages for both vacationers and travel agents. Vacationers can now have an easy way to inform their friends and family of their upcoming travel plans or, better yet, invite them along. For travel agents, they can potentially pick up additional travelers who get an invite and decide to come along,” says company spokeswoman Jo Ellen Andrew. “The company also has a reservation partner program for travel agents providing a 20 percent booking commission.”

The company's rental mobility scooter are welcomed at all Orlando-area attractions, including the Walt Disney World Resort, Universal Studios and SeaWorld theme parks, and cruise ships departing from Port Canaveral. In addition, Scooter Vacations delivers and picks-up to and from the Central Florida hotel, resort or other location indicated by each renter, including free delivery and pickup from locations within 10 miles of the Walt Disney World Resort for rentals of three days or more.

Scooter Vacations invites travel agents to try out the new ecard system and encourage all their clients traveling to Orlando on vacation or departing on a Port Canaveral cruise to utilize the system for inviting others to join them or as a travel announcement. Agents may also register to become a reservation partner and, once registered, book mobility scooter rentals on-line at www.ScootOrlando.com.
