*Announcement of twin-related apparel items gifted to Jennifer Lopez and Marc Anthony on the arrival of their fraternal twins and recent photo release.*

Gresham, OR, March 22, 2008 --(PR.com)-- Photos of the twins have arrived and Jennifer Lopez has been gifted with a few stylish tees from MultipleMomsRock.com. Tees include: Raising Twins is an Extreme Sport, and another that simply states: Multiple Moms Rock.

Marc Anthony, proud new daddy of twins, was gifted with the tee: The Few. The Proud. The Exhausted...Dad of Twins.

Beth Smith, mom of twin boys and owner of MultipleMomsRock.com, thought it would be cool to start an apparel site to celebrate what it means to be a mom, dad or grandparent of twins, triplets and more. Other popular shirts include one for all moms that reads: Why Can't I Have a Time Out? Take a look at their cute website: [www.multiplemomsrock.com](http://www.multiplemomsrock.com) to see what proud moms and dads of multiples are wearing.
