

Break Da Bank Again

Come and 'Break da Bank' at Platinum Play Online Casino... again. Platinum Play Online Casino is delighted to launch a response to the many player requests for a sequel to the popular Break Da Bank slot - the new and improved Break da Bank Again.

Belize City, Belize, April 04, 2008 --(PR.com)-- Motivated by player requests for 3D graphics and more features, their game developers have provided these in abundance in a sleekly expensive looking theme that includes lots of lovely lucre, glittering precious stones, shiny gold ingots and a massive vault to set the scene for some great slots action.

This vibrant 9-line, 5 reel sequel takes the original concept of 'Break da Bank' and turns it into something brilliant and dazzling... a worthy successor to a very popular game enjoyed by thousands of Internet gamblers.

High roller slot fans will be most attracted to the new offering, but its range of coin sizes and ease of play allows it to be played and enjoyed by all.

Key features of Break Da Bank Again include the title logo, which acts as the Wild and delivers 5x earnings on all combinations it completes, and up to 25x on line bets during free spins.

Then there's that massive titanium vault full of all the good things in life - this can activate up to 25 Free Spins within which all wins are multiplied by 5x. Completing the rewards on offer is a color and suit Gamble function which pays out 2x and 4x respectively to players who get it right.

Achievable rewards in this game are significant - up to 18 750.00 in the base game and an adrenalin pumping 93 750.00 on Free Spins.

Make a deposit and hopefully win back an interesting withdrawal on [Break Da Bank Again](#) now available at Platinum Play Online Casino.
