

Green Dog Hosting is Giving Away 25% of Its Revenue

Hosting solutions through Green Dog. Being Big on Green the company decided to do more than its part and decided to give away 25% of the profits to green organizations. Find out more and view the list of recipients that receive contributions from Green Dog.

Alpharetta, GA, April 07, 2008 --(PR.com)-- Buy with a Conscience.

Green Dog Hosting has made a commitment to social responsibility and the environment. It's really quite simple, 25% of all net profits from this website go towards environmental causes; the more you buy the more is given.

Green Dog offers some of the most affordable hosting options and they are perfect for most any small business looking for a low cost solutions to putting a website online. Along with the piece of mind knowing that your site will be up 99.9% of the time you also have a support staff there for you 24/7 and free access to your hosting maintenance area.

Green Dog Hosting contributes to the following charitable “green” organizations and their worthy causes:

The Nature Conservatory
The Surfrider Foundation
GREENPEACE
Rock 'n Renew
WWF

Suggest a Charity or Conservation Project
