

## **Vacation Company Goes Wireless**

*Vacation Rental company in Hilton Head now offers free wireless internet in every one of over 280 properties.*

Hilton Head Island, SC, April 17, 2008 --(PR.com)-- Customers of the Vacation Company, a property management firm that offers short-term [Hilton Head rentals](#), can now enjoy wireless Internet at any of the company's 280 villas and custom homes.

The Vacation Company, which is the only vacation rental company in the Hilton Head area to guarantee this amenity at all of its properties, recently added the free service so visitors can easily access the Internet, for work or play, wherever it is convenient.

“We understand that even though people are on vacation that they often need Internet access to handle necessary responsibilities,” says Bob Hawkins, co-owner of the Vacation Company. “Now with our free wireless Internet access, customers can catch up on email while catching a few rays by the pool.”

The Vacation Company, located on Hilton Head Island, S.C., offers short-term Hilton Head vacation rentals and property management services. Started in 1987 by co-owners and longtime Hilton Head residents Bob Hawkins and Beth Henzler, the company now manages more than 280 villas and custom homes in Hilton Head.
