

## **InvitingHome.com Introduces Free Kitchen Design Guide**

*Home owners in search of inspiring new kitchen design ideas will enjoy this free Kitchen Design Guide which has loads of information on kitchen styles and architectural details.*

Needham, MA, April 25, 2008 --(PR.com)-- Homeowners looking for creative kitchen design ideas can now turn to InvitingHome.com's Kitchen Style Guide. This comprehensive new online resource is available at InvitingHome.com.

Today's kitchen is the most important room in most homes. This is where meals are prepared, but also where people linger to watch TV or do their work. For families, it might be the only room where everyone regularly hangs out together. You can use InvitingHome.com's [Kitchen Style Guide](#) to find kitchen design ideas that capture your distinctive tastes &mdash; and help turn your house into a home.

The Kitchen Style Guide features overviews of seven basic kitchen styles: traditional, contemporary, country, cottage, provincial, shaker, and arts and crafts. Also included are dozens of links to articles on topics like kitchen cabinets, kitchen counters and kitchen hardware. Related photographs along with an Inspiration Gallery serve as useful sources for kitchen design ideas.

As explained in the Kitchen Style Guide, more and more homeowners today are adding fine architectural details to their kitchens such as wood corbels. Corbels are an excellent way to liven up and enhance your kitchen's beauty. And because [corbels](#) come in a variety of styles, you're sure to discover one that matches your decorating vision and complements the decor in the rest of your home.

InvitingHome.com, for example, offers over 80 wood corbel styles. Corbel styles range from simple and understated to intricate and sophisticated. Popular wood types for corbels include maple, oak, cherry, birch and alder. With the multitude of styles and woods, you should have no trouble finding corbels that spark exciting new kitchen design ideas.

Corbels and other architectural details can help you to make your kitchen your own &mdash; and to ensure you enjoy spending time in what is likely the center of your home. For more information on corbels for your kitchen and other kitchen design ideas, please visit [www.InvitingHome.com](http://www.InvitingHome.com).
