

Triad Securities Joins The Charles River Network

Triad Securities (Member, SIPC (www.sipc.org)) has joined the Charles River network and is now available as a routing destination. Triad is a leader in IPO information and has dedicated specialists, software tools, and reports covering new stock issues.

New York, NY, May 05, 2008 --(PR.com)-- Triad Securities (Member, SIPC (www.sipc.org)) has joined the Charles River network and is now available as a routing destination. Triad is a leader in [IPO information](#) and has dedicated specialists, software tools, and reports covering new stock issues.

“Joining the Charles River network makes it much easier for our customers that are on the Charles River network to trade with us. Customers are using the phone less and less and want electronic connectivity. Triad is committed to finding the best price for our customers and making it easy for our customers to do business with us”, says CEO Richard Schultz.

“We have been impressed with the breadth of the Charles River network and the level of customer service it allows us to provide. Customers can use their own electronic trading system and route orders via the Charles River network to our Fidessa (Royalblue) trading system.” said Russ Campbell, COO, Triad Securities Corp.

Triad's customers subscribe to its leading [IPO report](#) service, execute through its full service execution desk or electronic execution system and take advantage of its [prime brokerage](#) clearing services. Triad also arranges office space for trading groups and hedge funds.
