

Hold'em High

Quality Hold'em in new gold game. Played single or five-handed, this game sets new standards for quality and action.

Belize City, Belize, May 10, 2008 --(PR.com)-- Platinum Play Online Casino is among the first on the Internet to launch the latest action-packed offering in the famed Microgaming Gold series of table games: [Multi-Hand Hold'em High](#).

Brilliantly crafted with a mix of up-to-the-minute technology and gambling tradition, this sophisticated, top-of-the-line game defines new quality levels in terms of smooth, fast action and outstanding graphics and sound effects, all backed by a generous pay table and the ability to make telling side-bets.

The gambler can choose to play a single hand or up to a maximum of 5 hands, with the option of a side bet. With the right cards creating a Royal Flush there's a payback of 500 to 1 on the Ante and Call/Raise bet, with a possible maximum of 50:1 on the side bet.

That means that playing the seven card version, players can achieve wins of up to 75 000.00, with another 2 500.00 on side bets.

The goal of the designers on this new and innovative game was to provide entertaining action on a platform of precision animation, digital sound, pinpoint graphics and imaginative player views to provide a truly realistic player experience.

Outstanding new additions to the ambience include better player views, an animating chip selector, an enlarged chip tray, rollover rules and ambient background music, all enhancing the casino "feel" of the game. Once play begins, the appearance of articulate icons, card flips and chip movements deliver an unprecedented level of gaming ambience and entertainment for both casino table and poker player alike.

Take a seat around the elegant, burr walnut framed table on this latest evolution of Internet gaming with a real chance to use skill and luck to win big.

All the rules for each game-style are ready to hand on the table, and the player interactive controls are clear and well positioned. With a chip range from 1.00 to 50.00, unlimited and mixed chip stacks can be used, automatically resizing to make up the current bet with the least number of chips.

Playing Multi Hand Hold'em High Gold is an Internet experience not to be missed - at [Platinum Play Online Casino](#) now.
