

## Quest for Beer

*Viking Axetion in a Beer Keg Challenge. Join the Scandinavian seafarers on their Quest for Beer.*

Belize City, Belize, May 10, 2008 --(PR.com)-- The ancient seafaring Vikings, with comical twists and turns sets the theme of Platinum Play Online Casino's latest major video slot, [Quest for Beer](#).

This 5 reel, 25 pay-line giant of a slot entices the player into a quest where they are thrown into the party life of axe-wielding giants, rough seas, famous long-ships and beer - lots and lots of beer - stumbling their way into Lars the Lanternjaw's Great Hall and the chance to axe open the barrels of prizes that lie within.

Colorful and humorous graphics provide the backdrop for comedy, adventure and of course beer which inevitably leads to reward. The most important keys to these riches are the Beer Tankard, which acts as Wild and therefore substitutes for most other symbols to enable the player to create winning combinations and Free Spins, and the sexy Beer Wench, who acts as a Scatter and gives entry to the Axe Throwing bonus feature.

When the Beer Tankard appears on reels 2, 3 and 4 at the same time the 10 Free Spins Feature is triggered, with prizes doubled, re-triggers possible and even an additional chance at the Axe Throwing feature.

If three or more Scattered Beer Wenches appear the player is swept into the Great Hall where 5 beer kegs are the targets in the Axe Throwing feature. Throwing 3 axes at the 5 kegs rewards the player with beer and cash prizes. Successfully filling your tankard with beer can reveal potential riches of up to 40x the triggering bet if all kegs have beer, significantly adding value to the players' bottom line.

That bottom line can work out at a possible payment in the base game of 25 000.00, but with Free Spin action it can go as high as a fantastic cash haul of 50 000.00, and bonuses can add another 5000.00

Completing a rollicking good game is the Gamble feature, where wins can be doubled or quadrupled depending on the player's successful selection of color and suit.

This is a game that is full of Viking adventuring for reward, with a wide wagering range. Quest For Beer comes on the time-tested Microgaming Viper software platform, giving fast, smooth gambling and a comprehensive inventory of player assists. Try it at Platinum Play Online Casino today.
