

More Prize Winners at Online Gambling Portal

Online Gambling Insider, the industry watchdog and certification authority, has awarded their latest series of prizes in their monthly prize draws. Seven players win prizes ranging from Amazon gift cards to a Slingbox Pro and the prize draws are open every month.

Seattle, WA, May 16, 2008 --(PR.com)-- The winners just keep on rolling in each month at Online Gambling Insider, thanks to their generous prize draws offered every month. The portal makes it their business to offer visitors the best choice in online gambling entertainment, but actually takes this one step further by not only offering free to enter prize draws, but by offering a guarantee of up to \$1000 for depots made at any of the gambling sites they have certified. These includes the world's best casinos, poker rooms and sports wagering sites.

Seven lucky players won during April 2008 and here are some of their comments:

Geoff B. from Sydney in Australia win a Nintendo Wii: "I felt surprised and happy to know that I had actually won! Thanks to Casino Share and Online-Gambling-Insider.com."

Peter K. from Leeds in the United Kingdom won an Apple iPod Nano from Casino Rewards: "What a great prize! Thanks for keeping your promises."

'Salonico Boy' from Athens Greece won an Apple iPhone with Royal Vegas Casino, "I am only an ordinary player who loves playing at this online Casino! It gives me both pleasure and a gift. Thank you and good luck everybody!"

Every month sees a number of draws on offer including a Sony PSP, an Apple iPhone and an iPod Touch. These prizes are exclusive to Online Gambling Insider, and winners are announced as soon as possible after the end of the month.

"Another great month for our visitors. Seven lucky players got lucky by simply signing up and playing at a top online casino, something they would have done regardless. That's what makes these contests great," says Ryan D, editor of Online Gambling Insider.

Find all the information you need at Online Gambling Insider's new [Online Casino Prizes](#) section. The competitions are open to people from all over the world. Entry is free and to qualify for any particular prize you simply need to sign up at a sponsor casino and meet their minimum deposit requirements.
