

Customize Your Own Calling Card with BananaCall.com

BananaCall is a brand new online phone cards store from WDN Communications.

Panama City, Panama, May 17, 2008 --([PR.com](#))-- WDN Communications, an emerging telecom company, is proud to announce the launch of its newest consumer website, BananaCall.com. BananaCall is an innovative online phone cards store that offers the ability to customize the product according to your daily needs.

Created as a tailor-made service for consumers, BananaCall will provide completely customizable calling card plans for any destination worldwide. The high-quality services are supported by BananaCall's own carrier division, thus insuring the most affordable rates on the market.

With 8 products to choose from, BananaCall gives you the chance to combine all the features of a normal calling card to get the perfect plan for your calling needs. According to your calling habits, you can add or remove the maintenance or connection fees or choose between different types of rounding. The rate is determined by the features of your phone card.

The BananaCall website offers an innovative shopping experience, the easiest and fastest way to get a phone card online. All products are supported by a customer service department, available 24/7 at your disposal. Apart from the ability to customize the [phone card](#) before purchasing it, you can also get advanced features such as pinless dialing or automatic recharge.

About BananaCall.com:
