

Formost President to Donate to China Relief Efforts

East Hanover, NJ, May 16, 2008 --(PR.com)-- A \$30,000 donation to the disaster relief efforts related to the devastating May 12 earthquake in China is being given by Joseph Chen, President of Foremost Groups Inc., of East Hanover. The company, with manufacturing operations in China, also announced that it will match any employee donations, which will be sent to the relief efforts in the affected regions of China.

In announcing the donation and appeal, Joseph Chen said: “Foremost Groups is pleased to help in the relief effort. It's critical that we support those who have suffered so much in this catastrophic earthquake.”

Foremost Groups Inc., established in 1987 as a privately held business in Newark, N.J., is a leading international manufacturer of kitchen and bath furniture, indoor furniture and outdoor patio furniture sold to major retailers and home centers around the world. The company also manufactures commercial refrigeration and OEM equipment.
