

DollsBags.com Now Carries Clutch Bags

Clutch Bags... "Sleek Urban Utility Bags For Life." "Clutch Bags is a hip, utilitarian line of women's handbags that was developed in NYC in 2001 by a fashion stylist who could never find the right bag. It seemed that most handbags were always about the identity of the bag-the bag of the "moment"-and not about the personality or style of the woman carrying the bag at the moment." DollsBags.com is an Authorized Reseller for Clutch Bags. Free Shipping in the USA.

Saint Petersburg, FL, May 23, 2008 --(PR.com)-- DollsBags.com is proud to announce that they now carry the Urban Utility line of canvas bags by Clutch Bags. Both the Feed Bags and Lunch Bags are in stock and include Free Shipping. For a limited time only, they will also include a free cosmetic case with every purchase.

Rich Petrelli - VP, "The Clutch Bags Feed and Lunch Bags that we carry are both trendy and functional. DollsBags,LLC is an environmentally conscious company, and as such we enjoy promoting brands that are eco-friendly on our website and in our boutiques. Many of us still carry our lunches in plastic grocery bags. "It can take hundreds to thousands of years for plastic to decompose..." (Source: Wiki.answers.com). Often times we send our kids off to school with a "brown bag" lunch as well. With the Clutch Bags Canvas Lunch Bag and Canvas Feed Bag, we have a fashionable, reusable, and inexpensive eco-friendly solution. There are many great online retailers out there that sell the Clutch Bags line, including DollsBags.com, so stop by one of our sites and buy a Clutch Bag today. DollsBags.com will also be offering a large free canvas shopping tote to every customer in the near future. The totes cost us several hundred dollars but it is just one small way to show that we are doing our part to help the ecology."

Clutch Bags: "Clutch Bags- influenced by, and named after the utilitarian bags we use and see in our daily lives. Clutch Bags are styled to be the bags that a woman can carry from one aspect of her daily life to the next, always feeling confident that the bag complements her personal style of living. Clutch Bags... Sleek urban utility bags for life."
