

NuU Medspa Help Celebrate Life with Discovery Ball

Chicago, IL, May 20, 2008 --(PR.com)-- NuU Medspa support Discovery Ball, an American Cancer Society event dedicated to educate, research and service cancer victims. Discovery Ball was held in the Skyline Ballroom at McCormick Place West on May 17, 2008.

The Discovery Ball's mission is to eliminate cancer as a major health problem by preventing cancer, saving lives and diminishing suffering from cancer, through research, education, advocacy and service.

Norm Valine, president of NuU Medspa, says, "More than one-thousand victims lose their life a day from this disease...if everyone put forth some minimal effort, America can lower these unfortunate statistics."

The American Cancer Society's second annual Discovery Ball is one of the premier black-tie events of its kind that celebrates life through festivities including a silent auction, drinks, appetizers, dessert and dancing.

According to the American Cancer Society, approximately 1.4 million new cancer cases are expected to be diagnosed in the United States in 2007. The American Cancer Society is committed to changing these statistics via events that promote life and advocacy for this devastating disease. Proceeds go toward all efforts to help cure cancer.

NuU Medspa constantly celebrates health and changes lives everyday. Through donating their efforts throughout the community and in their centers, NuU is determined to make a difference in the medical field. NuU Medspa among other key companies and attendees such as; medical, banking, health and legal companies are target markets that contribute to Discovery Ball 2008 in Chicago.
