

## **Detroit Dentist Now to Offer Waterlase Dentistry Services**

Southfield, MI, May 29, 2008 --(PR.com)-- Dental procedures performed by many dentists in Detroit are often drawn out, painful processes, ones that make even the bravest individuals shudder at the thought of sitting in the dreaded dentist's chair. But Southfield Family Dental Center in Michigan is slowly changing how people feel about the dentist. Using their revolutionary waterlase dentistry technique, these [Detroit dentists](#) can repair cavities quickly and without the use of numbing anaesthesia. While many cosmetic dentists in Southfield are quite expensive, Southfield Family Dental Care does its best to keep costs affordable. More people are scheduling appointments with this great group of Southfield dentists all the time, and, as a result, are discovering that a trip to the dentist can actually be a pleasant experience.

The Southfield Family Dental Center offers many of the same services that other cosmetic dentists in Southfield provide. Porcelain veneers, for example, can cover up stains and hide tooth problems like chipped teeth and gaps between teeth. This cosmetic dentist in Southfield also offers tooth whitening, crowns, and Invisalign braces, a safe and effective way to straighten teeth without painful, unsightly, and inconvenient metal braces. Services designed to promote good oral health are also offered by this [Southfield dentist](#). They include root canals, painless fillings, extractions, and cleanings.

### **Visiting a Detroit Dentist Doesn't Mean Spending a Fortune: Payment Options and Specials**

For many people, visiting a cosmetic dentist in Southfield for aesthetic procedures like tooth whitening is simply not realistic from a financial perspective. Even worse, some people refrain from scheduling essential visits to their Chicago dentist because they simply can't afford it. Many individuals who inquire about the services offered by the Detroit cosmetic dentists at Southfield Family Dental Center, however, are pleasantly surprised. This is a business that strives to keep prices affordable. They also offer patients the option to set up a monthly payment plan or to obtain interest free financing. All work performed by this [Southfield cosmetic dentist](#) is guaranteed for five years. This, along with their reasonable prices, allows patients to feel they are making a great decision when they choose this Southfield dentist above all others in the area.

In addition to their reasonable prices and numerous payment options, this Southfield dentist also offers numerous specials for new patients, which can be viewed by visiting their website at <http://www.southfieldsmile.com>. New patients can save money on Invisalign braces, veneers, implants, and tooth whitening. For those who are interested in giving this [Detroit cosmetic dentist](#) a try, setting up an appointment is as easy as filling out a form on their website. Patients can specify an exact date or a day of the week and time of day that would be best for them. Then, it's just a matter of visiting this Southfield dentist and enjoying a trip to the dentist that is relaxing and without pain - something many people never dreamed was possible until they actually gave the Southfield Family Dental Center a try.
