

Justin Hodson Was Named Orange County District Director on the Board of Directors for CALI

It was announced Wednesday that Justin Hodson is the new District Director of the California Association of Licensed Investigators for the Orange County District. Justin Hodson is the Vice President and Director of Surveillance for Gailey Associates, Inc out of Garden Grove, CA.

Garden Grove, CA, May 29, 2008 --(PR.com)-- It was announced Wednesday that Justin Hodson is the new District Director of the California Association of Licensed Investigators for the Orange County District. Justin Hodson is the Vice President and Director of Surveillance for Gailey Associates, Inc out of Garden Grove, CA. Gailey Associates, Inc is a full service private investigations firm based in Orange County with an office in Los Angeles. As a District Director, Justin Hodson will help plan the future of CALI and help manage important issues that may arise. The California Association of Licensed Investigators, commonly known as CALI, is the world's largest formal association of private investigators. For additional information on CALI go to www.CALI-PI.org

Justin Hodson runs the day to day surveillance operations of Gailey Associates, Inc. Mr. Hodson has been in the investigations field for nearly 10 years specializing in surveillance operations. Mr. Hodson is a member of several investigative and business associations. Mr. Hodson is an active member in the California Association of Licensed Investigators and the National Council of Investigation & Security Services.

Justin Hodson has attended Fullerton Colleges' Administration of Justice program, California Coast University Bachelor of Business Program to include Cal State Fullerton's Expert Witness Certificate program. Mr. Hodson has several awarded CE certificates from the California Association of Licensed Investigators in Fraud and other areas of Investigations. In the field of investigations Mr. Hodson is considered an expert in Surveillance. Mr. Hodson has testified as an expert witness in Federal, Civil and Family Law Trials.

Justin Hodson has personally trained numerous Retired Police Officers, Retired Government Agents and others on the complicated intricacies of being a private investigator. Mr. Hodson has trained many investigators who now own and run their own investigation firms.
