

## **Lucky Shot**

*Tee off with Platinum Play Online Casino's big bonus golf slot. Scoring opportunities aplenty on multi-layered new game.*

Belize City, Belize, June 04, 2008 --([PR.com](http://PR.com))-- Eagles, birdies and holes-in-one take second place to really big rewards, smooth fast-play and hours of entertainment on Platinum Play Online Casino's latest golf-themed video slot [Lucky Shot](#).

The game features doubled opportunities to win significantly through Free Spin and Gopher Bonus trigger multipliers, Multipliers, Scatter rewards, a second screen Bonus game and Free Spins.

Look out for the gopher symbol, a cheeky rodent that brings several chances to win when it appears, and the golf cart that delivers Free Spins aplenty during the game.

Three, four or five gophers across adjacent reels will trigger the Gopher Bonus and the award of between 2x and 50x the triggering bet. The number of Gophers that appear also determine the number of "picks" between 3 and 5 that the player will receive in the second screen bonus game, where a golfer faces 15 gopher holes. Each time the player makes a pick during the bonus game, a random value multiplies the total bet, making possible major awards of up to 300x the bet.

Similar actions, increasing the chances to score on the triggers themselves, develop from the Golf Cart Free Spins feature, initiated by 3, 4 or 5 carts across adjacent reels and providing similar rewards. The trigger also brings on a random number of 9 or 18 Free Spins that carry a 2x Multiplier.

With this sort of action, achievable rewards are generous with 75 000.00 available in the base game, 30 000.00 in the bonus game and a bank-boosting 150 000.00 on the Free Spin opportunities.

Lucky Shot carries the golfing theme through excellent sound effects and sharp, colourful and amusing graphics reflecting elements of the game and those who play it with such dedication.

With a betting range between 0.01 and 0.50, and a maximum bet of 100.00, this 5 reel, 20 pay-line slot has wide appeal - try it this week at [Platinum Play Online Casino](#).
