

## **Viecore FSD Sponsors Golf Tournament to Benefit TAPS**

*Viecore FSD, a contractor to the U.S. military, is hosting the first annual Golf Scramble to benefit the Tragedy Assistance Program for Survivors on June 9th at the Sun Eagles Golf Course at Fort Monmouth, NJ.*

Fort Monmouth, NJ, June 05, 2008 --(PR.com)-- Viecore FSD, a contractor to the U.S. military, is hosting the first annual Golf Scramble to benefit the Tragedy Assistance Program for Survivors (TAPS). This event will be held on June 9th at the Sun Eagles Golf Course at Fort Monmouth, NJ. The format is a best ball scramble, with prizes for low team scores, long drives and closest to the pin.

“Viecore FSD - a member of the Fort Monmouth community - is sponsoring the TAPS charity golf scramble to raise awareness and support for the surviving families of our fallen servicemen and women. The money we raise for programs, especially the kids' grief camps, provides them with a place where they can share their pain and begin to rebuild their lives,” said Jack Gumbert, COO of Viecore FSD.

Members of the Fort Monmouth community are encouraged to attend for more information visit them online at [www.taps.org](http://www.taps.org), call them at 1-800-959-(TAPS) 8277, or text TAPS to 85944.

As a nation, we mourn the loss of every fallen American service member. After the memorial service ends and the flag is folded, a family or loved one must rebuild their life and nurse a broken soul. TAPS provides surviving families with a supportive atmosphere in which they can find comfort and healing among others who have suffered a similar loss.

### **About TAPS**

TAPS is the only national peer-to-peer network of military survivors. We provide those struggling with a traumatic loss the opportunity to connect with others who have been in a similar situation, to share their pain, and to learn to live again. The TAPS Good Grief Camp for Young Survivors reaches out to the hundreds of children who have lost a parent serving in the military. The children learn coping skills, develop their own peer network, and see how America remembers and honors their family's service and sacrifice. TAPS is a 501 (c)3 tax-exempt organization.

### **About Viecore**

Viecore FSD provides advanced software and systems development services to the U.S. military and Federal Government. Viecore FSD is a wholly owned subsidiary of Nuance Communications of Burlington, MA and specializes in the design, development, and support of advanced decision support technologies and data management systems, from prototype through production.
