

Poetrydances.com, an Innovative Poetry Website, Recently Launched by UK Writer Anthony French, Takes a Leap of Faith (and Announces Its First Group of Favorite Writers)

Writer Anthony French's innovative new online venture, poetrydances.com, which services emerging writers of online poetry in both the USA and UK announces its first group of favorite writers to the world.

Busan, South Korea, June 08, 2008 --(PR.com)-- Poetrydances.com sprang to life in the shadow of the abundance of online poetry websites, to create a space where great poems from the depths of the Internet can be brought to the surface.

User Ray Neighbor recently commented: "There are countless sites where writers and poets exhibit their art. What I find extremely unique about poetrydances.com, is that it searches out talent from all these sites. You also give writers a chance to read the many talented, but unnoticed works your site has selected'

User Rambling Prose also commented "I was truly honored upon receiving word that one of my poems was going to be featured after I took the chance on submitting it to poetrydances.com, and I'll forever be grateful! What you do in promoting up and coming writers is commendable"

In his comments another user, Lalli says "Awesome. Glad to hear poetrydances.com is making moves forward, and even happier to be a part. There needs to be more means for writers to get their work out there to touch the world.."

In the course of its reading program across various poetry websites, poetrydances.com inserts links on its site to exceptional poems. Some of the writers behind these poems are afforded 'favorite writer' status on the site.

These are the poetrydances.com favorite writers for April/May 2008 along with their poems, the hosting site and usernames:

Mamta Madhavan with 'orange' [Gotpoetry.com/ 'Mamta']
Michelle Schaefer with 'courting mona lisa' [Gotpoetry.com 'graphitegirl']
Emily Burns with 'Seduction' [WritersCafe.org 'Emily Burns']
Ivana Plucinski with 'Awaiting' [poetrydances.com]

Rambling Prose with 'Lady Temptress' [WritersCafe.org 'Rambling Prose']
Ray Neighbor with 'Time' [WritersCafe.org 'Rain']

Closing this release are the comments from user Mamta Madhavan:"It's like my favorite little coffee

shop, where I can read some of the great poems hidden away in the nooks and crannies of the Internet over a cup of coffee!"
