

Cellhut's Top 5 Cellphones for Father's Day

One of the internet's leading sellers of unlocked cell phones is featuring the top 5 cell phones available for this Father's Day.

New York, NY, June 07, 2008 --(PR.com)-- Nothing conveys to a father that he is loved and appreciated like a new cell phone. The gift of wireless technology is a very heartfelt move because it ensures him that he is worthy of a new cell phone to stay in better contact. This year is the perfect time to buy a new phone. Not only does Cellhut have a host unlocked cell phones at a discounted price, but new technology is emerging that increases the quality of calls.

All the cell phones listed below are available at a discounted price and have a free shipping option for prices over \$179.00. These phones range from the high to low-end and are guaranteed to keep you talking.

The Blackberry Curve 8310 for \$459.99 is Blackberry's finest phone. The QWERTY keyboard is easy to use and the best way to write text messages and emails. Because this is a smartphone doesn't mean that it doesn't know how to have fun and the 2 Megapixel which takes great photographs is a testament to that.

The Sony Ericsson K660I for \$419.99 is a candybar phone with great looks. The 3G advantage it has is just one of the reasons to get this great phone. The Walkman Player 3.0 software, 2 Megapixel camera, and sleek looks are other features that will streamline your life.

The Motorola Motorizr Z8 for \$419.99 introduces a new way to interact with your phone. Naturally this phone is 3G compatible and has a high-quality 2 Megapixel, but what you might not expect is the sharp QVGA display and solid slider mechanism.

The Sony Ericsson W810I is available for \$199.98 is a great all-around performer. A 2 Megapixel Camera, support for the Memory Stick Duo Pro and Bluetooth, make this a sure bet for Father's Day.

The NEC E132 is available for \$68.95 and is a very functional phone. Some great features such as Bluetooth technology and a VGA camera make this phone a sure bet for anyone looking for a reliable phone.
