

## **Cody Ventures Corporation Announces Technology and Revenue Sharing Partnership with byCountry™**

*Newport Beach internet development company, Cody Ventures Corporation announces a new partnership with an international social networking platform, byCountry™ in order to share membership, technology and revenue.*

Newport Beach, CA, June 09, 2008 --(PR.com)-- Cody Ventures Corp (OTC: CVCP) and byCountry™, an international online social network platform currently focused on Asia, Africa and the Middle East, announced today that they will be combining forces to revolutionize the social networking market from a more global perspective. The partnership represents a significant step for Cody Ventures, as it will enable the company to apply the innovative software applications of byCountry™ to The Outer Post's existing social networking platform and vice versa.

The partnership between the two companies also represents the possibility for exponential growth in both website membership and revenue for Cody Ventures Corporation and byCountry™, as the companies have decided on a technology, user and revenue sharing agreement. byCountry™, which has a ground-breaking advertising model, will offer its revenue-building expertise to Cody Ventures Corporation and its flagship website, TheOuterPost.Com

“Teaming up with byCountry™ is a wise decision for Cody Ventures at this point in time. We're interested in expanding the technology of TheOuterPost.Com and what better way to explore new possibilities than by partnering with a world-renowned social network?” remarked Roy Cooper, CVCP President. Mr. Copper went on to state, “We are also extremely excited about the revenue possibilities for Cody Ventures through the sharing of both revenue and website members. byCountry™ already has a great advertising application and with the foreseen growth in the users for both companies, revenue is sure to skyrocket.”

Management would also like to announce that Pinksheets has been updated and the approximate float shares are 19,323,000.
