

Fucoselean Voted #1 Weightloss Supplement Marine Nutreuceutical Containing Fuco Xanthin by Health Food Distributors

New York, NY, June 12, 2008 --(PR.com)-- Fuco Xanthin promotes thermogenesis which is fat burning of belly fat (white adipose tissue). There are many products containing fucoxanthin e.g Fuco Thin a registered trademark of Garden of Life. This Fuco product also contains Chromium for blood sugar and green tea for metabolism and antioxidant power. It does not contain pomegranate which promotes estrogen.
