

Free Gas Cards - Relief at Last from LA's Le Petite Retreat Day Spa

Free gas cards for spa visits in this tough economy being offered by Los Angeles' Le Petite Retreat day spa.

Los Angeles, CA, June 23, 2008 --(PR.com)-- Le Petite Retreat day spa announced their "Free Gas Card" summer program to help relieve the economic difficulty people are facing during this time of inflated gas prices. This is Big news from LA's favorite true day spa, which has always come to the rescue when Angeleno's needed help the most.

"Though we're LA's top day spa, we're as fed up with high gas prices as our guests!" says Lysa Kustek, owner of LA's popular Le Petite Retreat day spa. "We're helping our guests' get to our spa so they can escape momentarily from today's stressful times." "And, since no one in Washington seems to do anything to help, at least we're helping with a solution" says Ron Kustek, co-owner. "There's no more reason for couples to put off celebrating a special time, or delay detoxifying from today's stressors --- no one should be forced to put their lives on hold any longer" emphasized Lysa.

Lysa explains: "We're local to everyone in LA for their in-town 'stay-cation', and now more than ever we provide the highest quality spa treatments at the best value! Everybody loves getting more for their money, and that's what we're known for giving," Lysa smiled. "Being known for LA's only Jade Stone Massage is now an even greater value -- imagine the stress melting away as both warm and cool Jade stones are massaged into your muscles, using both deep tissue and Swedish massage strokes, and the coolness from the cold jade stones reduces swelling, thus helping flush & detoxing your body -- let's drive free & get healthy" Lysa beamed.

Le Petite Retreat day spa is one of the few spas in Los Angeles that offers spa facials and therapeutic spa massage as same-room couple's treatments, making them a great choice for unique spa gifts, special events, & spa gift certificates. "Our theme is, 'Feel The Experience' and that's exactly what we endeavor to do - have each guest remember forever their great spa experience," Lysa says proudly.
