

## **Nokia and Sony Phones Coming Soon from Cellhut**

*One of the internet's longest running online sellers of unlocked phones is beginning to stock the latest phones from Nokia and Sony.*

New York, NY, June 25, 2008 --(PR.com)-- The summer is going to see a lot of great phones released and it will be hard to choose the best of the bunch. Thankfully Cellhut is stocking some of the most capable phones that Nokia and Sony are releasing, including the ultra-productive E71 from Nokia and the sophisticated Sony C905.

Cellhut is the company to trust for all your cell phone needs. The best prices and largest selection of unlocked cell phones can be found at the easy to navigate website. The company has been around for over 10 years and has found many regular customers who place order time and again to take advantage of the fantastic customer service.

The Sony Ericsson C905 is a phenomenal camera phone that is available for pre-order. The C905 represents the perfect culmination of features and style with its highlight being the 8 Megapixel camera. There is a 3G connection to keep data transfers up to a proper speed and the Memory Stick Micro slot allows for additional storage.

Another high-end phone is the Nokia 8800 Sapphire Arte available to pre-order. This is a phone designed with luxury being the pivotal theme. Some great features include an OLED screen with scratch-resistant glass, 1 GB of internal memory, 3G connectivity, and a 3.2 Megapixel camera.

The Sony Ericsson available to pre-order for \$549.99. this is an all around good performing phone. With a 1.3 Megapixel Camera and up to 7 hours of talk-time the features are very reliable. The color scheme of this phone is very eye-catching and is sure to draw attention in a crowd.

These and other great unlocked cell phone are available to pre-order from the website [www.cellhut.com](http://www.cellhut.com)
