

The Beijing 2008 Olympic Games Cannot Satisfy Worldwide Ticket Demand ... Yet HotelsCombined.com Can Satisfy Worldwide Accommodation Demand

Sydney, Australia, June 27, 2008 --(PR.com)-- One World, One Dream is the theme of the Beijing Games - and if overseas ticket demand is any indicator, the whole world wants to be in Beijing for the Games to live their dream.

Unfortunately Beijing Games organizers cannot satisfy worldwide ticket demand. But it is not just about trying to get tickets to the Beijing Games; numerous domestic and international travelers need accommodation on top.

At 28 May, Beijing Municipal Administration of Tourism spokeswoman commented “77 percent of five-star hotel rooms have been booked and most Olympic designated hotels are reportedly fully booked.” For full details go to <http://en.beijing2008.cn/news/olympiccities/beijing/n214381219.shtml>

At 25 June, hotel price comparison website HotelsCombined.com conducted research to determine if there is any accommodation still available throughout the Beijing 2008 Olympic Games and Beijing 2008 Paralympic Games. The results indicate that not only are there five-star hotels still available but there is accommodation for every wallet.
