

## **Click Consult & SEO Consult Ranked 2nd for PPC & SEO Consult Ranked 3rd for SEO for the 6th Time**

*Click Consult, a leading UK Search Marketing Agency, has been ranked as the 2nd best Pay-Per-Click (PPC) management company in the UK and its SEO division, SEO Consult, has been ranked as the 3rd best Search Engine Optimisation (SEO) company in the UK for the sixth straight month.*

Cheshire, United Kingdom, July 08, 2008 --(PR.com)-- In an ongoing study conducted by TopSEO.com, the rankings were determined by continuously monitoring over 300 PPC and SEO agencies for 10 variables that relate to client satisfaction. These variables include client retention rate; average response time and time-to-resolution for client problems; average Return on Investment (ROI) from PPC campaigns; the speed in which first page SEO listings are achieved; and how competitive the company's prices are compared to the industry average.

Matt Bullas, Managing Director of Click Consult, commented: "The criteria for these prestigious rankings are very stringent. Click Consult and SEO Consult could not remain in the top three for six months without a steady stream of positive feedback from our client base. With over 300 of our competitors vying for these rankings, to be rated second for PPC and third for [SEO](#) for so long is a clear indication of the revenue we generate for our clients and our exceptionally high levels of customer service."
