Los Angeles, CA, July 14, 2008 --(PR.com)-- Team Red Star Welcomes Saucony. - That's right. Saucony. One of the world's premier designers of competition footwear and sports apparel has designed an exclusively limited edition design inspired by The Red Star saga. Members of Team Red Star will be sporting their new wheels from Thursday through Sunday.

The Red Star Worldwide Premiere: Sword of Lies Issue #3 - an epic 64 page annual, will have its worldwide premiere at San Diego Comic Con 2008, including a special foil cover edition, limited to only 500 copies.

Team Red Star's Luxurious Address - Since Comicon International San Diego 2005, the world famous Gentle Giant Studios has hosted Team Red Star within their lavish exhibit in the very front of Hall C, Booth 3513. This year will continue the tradition, and Team Red Star will be putting on one of their best shows ever. Red Star series creator Christian Gossett, as well as many other members of Team Red Star, will be making appearances throughout the week, signing and sketching.

Snap n' Win Prizes At The Red Star Booth. - To celebrate the release of The Red Star: Sword of Lies #3, Archangel Studios is giving away hundreds of prizes to its readership in attendance. Working with Norprint, Team Red Star has commissioned its first ever Limited Collector Card Set. Each card is a rare collectible; one of only 400 sets made exclusively for Comicon San Diego 2008. What's more, each card offers the possibility of instantly winning prizes at the booth. Finally, one lucky winner will uncover the Grand Prize and have their name and likeness appear as a character in an upcoming publication. Stop by our booth (Hall C, Booth 3513) to purchase your own Red Star Collector Card Set.

The Red Star: The Epic Continues - And not to worry, for those of you only now discovering one of the most unique worlds in epic fiction today, or for those who wish to show their friends firsthand why you just can't stop going on about this Red Star thing, a supply of the classic Red Star Trade Paper Backs, nominated for multiple Eisner awards and voted one of the 100 greatest graphic novels of all time by Wizard magazine, will be available for purchase at special show discounts.

Archangel Studios is an independent publisher of graphic novels. Its award-winning series, The Red Star is the story of an epic rebellion against the use of human souls as fuel for militarized sorcery.
