

Cellhut Presents Summer Savings on 3G Unlocked Phones

One of the internet's leading sellers of unlocked phones is having a sale on their top-selling 3G phones.

New York, NY, July 15, 2008 --(PR.com)-- Now that school is out of session and the time for relaxation has begun, why not hit the beach with a phone which that you've got style and smarts? Take advantage of Cellhut's sale on all their most popular 3G compatible phones to ensure that you've got the best connection possible.

Cellhut is one of the most trusted online sellers of unlocked phones. Since 1996, no other company has offered such a combination of prices and phone selection. The customer service performs at a very high standard and will be able to answer every question you may have.

3G is the newest connection that will soon replace 2G. One of the benefits of this connection is that the speed you experience while browsing the internet on your phone will be comparable to that of a broadband connection.

Here are three phones that are all 3G compatible and represent different ranges in terms of technology.

At the high-end and representing a wonderful marriage of technology and style is the HTC Touch Diamond. Available for \$749.99, this is really a small price to pay for such a great piece of technology. No other phone comes close to the ease of use that this phone offers. A responsive touchscreen, TouchFLO software, 4 GB of internal memory, and a 3.15 Megapixel give this phone an edge that no other phones come close to.

In the mid-end, Nokia's N81 is the perfect solution. This fashionable Quad-Band slider phone is available for \$369.99 and is a great all-around performer. 3G connectivity for this phone comes in the form of a data-band which is sure to speed up transfers. Some great features of this phone include a MicroSD slot to store Gigabytes of information, a superb wi-fi connection, useful central navi wheel, and a solid 2 Megapixel Camera.

Finally in the low-end, but no less useful is the Nokia N73 available for \$289.99. Once you get your hands on this phone, you'll find that it becomes an indispensable addition to your daily routine because it's got so many great features. Some highlights are the 3G data connection, bright screen, stereo speakers, MiniSD card slot, Symbian OS, and 3.15 Megapixel camera.

This summer is the time to save on the best-selling 3G phones available from Cellhut.
