

BetterTrades Hosts Traders Super Summit in Dallas, Texas

Dallas, TX, July 16, 2008 --(PR.com)-- BetterTrades™ has released the dates for its most comprehensive annual trading event, Traders Super Summit, to be held in Dallas, Texas, August 7 - 9, 2008.

The Traders Super Summit, an annual conference hosted by BetterTrades' founder, Freddie Rick, brings all of the company's top instructors to a common platform where they present trading strategies and investment ideas to the assembled audience. Among the distinguished speakers listed on the roster are Bob Eldridge, Darlene Nelson Powell, Markay Latimer, Ryan Litchfield, and John White.

Over the course of this exciting three-day event, audience members will be taught trading methodologies for improved performance when investing in the stock market. Additionally, one-on-one interaction with the BetterTrades faculty will be promoted, allowing new as well as seasoned traders to hone their trading skills and gain specific, pertinent information.

As the keynote speaker, this year's Traders Super Summit will feature the former coach of the Dallas Cowboys and two-time Super Bowl Champion, Jimmy Johnson. Jimmy is a recent graduate of BetterTrades Market Essentials Workshop, the intense two-day training venue for beginning traders. He will discuss trading in relation to winning at football in his inspirational message.

To access further details about the Traders Super Summit and the company instructors, please visit [Traders Super Summit](#).

To register for this exciting event, please call BetterTrades at 1-800-940-5231.
