DuoShare Certifies as SuiteLink™ Interface Developer

DuoShare, Inc. recently certified SuiteLink with the United States Postal Service®

Dallas, TX June 09, 2007 --(PR.com)-- DuoShare, Inc., creator of the first 100% Web-based Address Quality Service, recently certified SuiteLink with the United States Postal Service®. SuiteLink adds secondary information, such as suite numbers, to known business addresses. The product not only enhances the quality of mailing addresses, but it also allows the USPS® to delivery sequence those addresses to achieve additional operational efficiencies.

SuiteLink has been incorporated into DuoShare Address Quality Services and is available at no additional cost to all DuoShare customers proving once again that DuoShare is committed to offering the most complete and affordable Address Quality on the market today. According to Michael Harvanek, Manager of Postal Products and Services, "Missing secondary information is a very common problem with business addresses. Adding SuiteLink as part of our core service further extends the capabilities and value of our all-inclusive Address Quality Services."
