Richard Deane Terrell Honored as a Professional of the Year in Time Series

Richard Deane Terrell, of Yarralumla, Australia, has recently been honored as a Professional of the Year by Strathmore’s Who’s Who for his outstanding contributions and achievements in the field of Time Series.

Yarralumla, Australia, April 02, 2014 --(PR.com)-- Richard Deane Terrell is Professor Emeritus at Australian National University College of Business and Economics. Professor Terrell is a Rhodes Scholar in Econometrics at Oxford University and earned his Ph.D. from Australian National University. Professor Terrell has been awarded the Order of Australia in 2002. He is the Chair of the Board of the Canberra Symphony Orchestra, a member of the Royal Order of Australia, the Chair of the AARNET Board of Management, and a member of the advisory Board for the Centre for Arab and Islamic Studies. Professor Terrell is also the Board Chair of the Sir Roland Wilson Foundation and the Selection Committee for the Roland Wilson Scholarship Program. Professor Terrell is married and the father of three children. In his free time he enjoys vineyards, cricket and Australian rules football.

About Strathmore’s Who’s Who

Strathmore's Who's Who honors successful individuals in the fields of Business, the Arts and Sciences, Law, Engineering and Government. We honor professional men and women in all academic areas and professions based on one's position and accomplishments. Inclusion is limited to individuals who have demonstrated leadership and achievement in their occupation, industry or profession.
