

Kenneth P. Braun Has Recently Been Recognized by America's Registry of Outstanding Professionals

Kenneth P. Braun, of Dana Point, California, has recently been included in America's Registry of Outstanding Professionals for his outstanding contributions and achievements in the field of Real Estate and Finance. He has been named Professional of the Year 2014 and is among the Top 10 in Business Services for 2014. Most recently, he has been named Man of the Month for both May and June 2014.

Farmingdale, NY May 14, 2014 --(PR.com)-- Kenneth P. Braun is President of Braun Asset Management, Ltd. Mr. Braun studied Business Management and Real Estate at Ottawa University and the University of California (UCLA). He has been in the Real Estate Lending and Investment Banking arena since 1965. He was a Board Member of Heller Financial Corporation and President of Heller Real Estate Finance Corp. Besides administrating a billion dollar annual lending program for commercial real estate, he also managed a two and half billion dollar loan portfolio. During his tenure at Heller, once of his proudest accomplishments was being part of a team that saved the Harley-Davidson Motorcycle Company from being liquidated by AMF, which proved to be one of the biggest commercial success stories in American history. He has received numerous professional awards throughout his career. He is a member of the Southern California Investment Association and is on the Board of Trustees of Ottawa University. In his free time he enjoys travel and spending time with his family.

America's Registry is a membership organization that gives its members the type of national recognition they strive for. Professional business people may join memberships, societies and organizations to develop business contacts, thus gaining image and credibility for themselves and their organization. As a powerful third party endorsement, America's Registry offers this kind of recognition for individuals on a national basis with the added benefit of instantaneous networking with the other members. Members are encouraged to welcome, network and assist each other whether they are in the same or an entirely different industry or profession. Being in America's Registry can be viewed by the members as a letter of introduction to all the other members.
