

The Empowerment Queen Offers a Free Teleclass on How to Avoid 3 Common Attraction Mistakes

The Empowerment Queen is offering a complimentary call, “How to Avoid 3 Common Mistakes People Make that Stop Them from Attracting Their Desires,” which will be held live on Thursday, August 28, 2014 at 8pm Eastern.

Bellmawr, NJ August 18, 2014 --(PR.com)-- For many years, The Empowerment Queen has used attraction techniques to get the things she desired to come into her life and has gotten the process down to a science. It is now time to share these secrets with adults who are ambitious and want a proven system to accomplish all of their goals. The Empowerment Queen is offering a complimentary call, “How to Avoid 3 Common Mistakes People Make that Stop Them from Attracting Their Desires”, which will be held live on Thursday, August 28, 2014 at 8pm Eastern.

“It disappoints me to see so many people struggling in life because unfortunately, they are making 3 common mistakes and they don’t even know they are making them. I feel that it is my duty to teach how to stop making these mistakes and start achieving more success,” said The Empowerment Queen. She also notes that using universal laws are the key to attracting desires. In fact, without applying universal laws correctly, success is impossible.

Those who register for the call will receive a free copy of the prosperity classic, Think and Grow Rich by Napoleon Hill to download. During the free teleclass, attendees will learn: why desires can be easily attracted, the role people play in the manifestation process, the 3 common mistakes people make in attracting their desires, how to use universal laws, and more.

“I grew up in poverty and learned how to overcome my negative circumstances. These universal attraction secrets I’ll be sharing on the call can be used immediately to make major changes in one’s life, including financially. They are that powerful!” said The Empowerment Queen. According to Bob Proctor, author of You Were Born Rich, “Mastering these laws is the difference between getting by and getting rich....Use them to make all the money you want.”

Currently, The Empowerment Queen raises millions in grant funding to assist individuals with low incomes to achieve self-sufficiency. For more information about the free call and how to stop making 3 common attraction mistakes, visit www.TheEmpowermentQueen.com.
