

## **MediaPro Expands Global Training Potential Into Over 100 Languages**

Seattle, WA September 09, 2014 --([PR.com](http://PR.com))-- [MediaPro, Inc.](http://MediaPro.Inc), an award winning provider of eLearning solutions, has added to its list of the languages and markets it can support by partnering with [JONCKERS](http://JONCKERS), a Brussels-based translation company.

Since 2010, MediaPro, Inc. and JONCKERS have collaborated to enable the multilingual delivery of offerings such as the [Adaptive Compliance Library™](#) across a broad range of languages. MediaPro offers an extensive library of corporate compliance training and information security & privacy awareness courses, awareness reinforcement materials, and LMS hosting services.

“We’re always eager to find the best solutions for our clients. To deliver training effectively to a global employee base, it’s essential that our content be culturally relevant and linguistically accurate. These are detailed compliance and security awareness courses--localizing a complex message requires special aptitude, which the JONCKERS team brings. We’re excited that our clients will achieve successful training outcomes, globally,” said Brian Crouch, Director of Marketing for MediaPro, Inc.

“We are pleased to be able to support MediaPro as they develop industry leading [eLearning](#) products,” said David Ashton, VP Worldwide Sales and Marketing at JONCKERS. “MediaPro can now go to market in more than [100 languages](#), and we are pleased to support them in that.”

### **About JONCKERS**

JONCKERS has been a leader in localization technologies since 1994. JONCKERS provides customized solutions for global adaptation- across linguistic, cultural and technical aspects of global market preparation. For more information, please visit [www.jonckers.com](http://www.jonckers.com).

### **About MediaPro**

MediaPro is nationally recognized for producing award-winning, web-based training solutions that reduce risk by improving end-user behaviors. The best-of-class training materials help companies meet their compliance requirements and safeguard business assets. In addition to training, awareness, and reinforcement products, MediaPro also develops custom data protection and compliance courseware. MediaPro has won over 100 prestigious awards for instructional excellence and its products are used by some of the most brand-conscious companies in the world.
