All the winners will be announced in the November issue of Condé Nast Traveler, on newsstands this week.

“We are very proud of both of these wins for our two ships, the SEA CLOUD and the SEA CLOUD II. We work very hard as a company to offer superior service, outstanding food, top-notch accommodations, and most importantly an authentic sailing experience. It is a thrill to be nationally recognized for our efforts, and we hope both awards will continue to bring awareness to our unique and exceptional ships,” says Daniel Schafer, Managing Director of SEA CLOUD CRUISES.

Launched in 1931, SEA CLOUD is a legendary windjammer that brings back the glamour of a bygone age. The yacht's original owners were Marjorie Merriweather Post and her husband Edward Hutton. Sister ship SEA CLOUD II was built in 2001. SEA CLOUD CRUISES' ships have some of the most spectacular public rooms and cabins at sea. Days onboard are relaxing and the port of calls in the Caribbean or Europe are unique, and usually not frequented by a dozen other ships. Food and service are also top-notch. SEA CLOUD CRUISES most notable feature is its four masts and 29 sails. Unlike the modern, electronically operated sailing ships in the industry, all sailing is done by hand on SEA CLOUD CRUISES.
