"My book is just to tell about people's lives, be they dead or alive," says author Chuck Myers. "It's to make people laugh or make them cry. That's what my book is about, nothing more! Nothing less!"

Published by Page Publishing, Chuck Myers' emotional tale puts readers inside the author's world. Written over the course of his life, Myers' poems are like time capsules. From individual lows and triumphs to historical events such as 9/11, Myers chronicles his life in a personal yet engaging way.
